

Dennis Farris

August 5, 1953 - June 22, 2012

Dennis R. Farris, 58, of Philomath died on Friday, June 22, 2012.

Born on Aug. 5, 1953, in Eugene to Robert Farris and Veronica Becker Farris, Dennis grew up in Bellfountain and Junction City. He graduated from Junction City High School.

Dennis grew up around sawmills and was around them all of his life. He worked for I.P. Miller Lumber Co. and Marys River Lumber. He was a certified lumber grader and millwright. He was very creative and there was nothing he couldn't figure out or fix.

He loved racing; he worked for several years as a technical inspector for Eugene Speedway, and built several racecars. He was a big NASCAR and National Hot Rod Association fan. Dennis loved his ugly trucks (Ford Econoline pickups); he had several, and belonged to the Econoline Club. He took a lot of pride in how he kept up the yard like a park. We always have called our property our little piece of heaven.

Dennis is survived by his wife, Terri Farris; sons David Farris and his wife, Amy, Dean Donaldson and his wife, Debbie, and Don Scott; daughter, Angela Luther and her husband, Dustin; grandchildren, Tiffany, Kylee, David Lee, Rashelle, Marrisa and DJ; great-grandchildren, Kaiden and Izaiah; and a brother, Fred Farris. He also is survived by his beloved pets, Annie, Baby, KitKat and Rascal. Dennis was preceded in death by his parents and his sister, Linda.

At Dennis' request, there will be no service. A private family service will take

place at a later date.

Dennis, you were loved very much and will be missed.
