“ Muriel and family,

I am unable to attend today's service for Chuck, but my thoughts and prayers will be with you. My husband, (Gene), sons (Darren and Matt), and I always enjoyed our contact with Chuck at the lumber yard. He was such a fun person to be around!

“ *I was sad to hear of Chuck's passing. My condolences to the family. He was someone I looked up to while managing the Copeland Lumber Yard in Albany, 1989-2006. We shared many successful business dealings together during those years. He will be missed!*

“ *I did not have the pleasure of meeting Mr. Don "Chuck" Sic, but I have met his family in Arizona. I am a neighbor to Tracy, Kenn and their wonderful son Mathew. As wonderful as they are Mr. Sic had to have been a loving person*

“ Love and Prayers to Muriel and her family. Such a sudden loss and "Chuck" will not be forgotten. We got to know and love Chuck and Muriel after they moved onto Picardy Lane. Those lucky folks who got to leave every winter and enjoy much better weather and their wonderful family in Arizona. When they returned it was so good to see activity at their home and see Chuck go by in his red truck again. They made the neighborhood complete. We enjoyed our getting together for games and an occasional meal. The neighborhood will certainly miss you at Bunco!

“ Our thoughts and prayers are with you all. I graduated with Chuck from Fremont High School and we were in the process of planning our 50th class reunion! If you are able to log into Chuck's Facebook account and then go to Fremont High School class of 1968, you will see comments from Chuck's classmates! Chuck will be missed by many!
