“ I am so sorry for the loss of Dorothy Ann from your family. I spent time at Dorothy Anns home right after she and Pat were married. Cheryl was born when I visited and Dorothy Ann would bake cookies which were very good and share them with Cheryl and myself, of course she won me over. She was a talented piano and accordion player, and I looked up to her. She also was very attractive and smiled a lot. I moved away and did not have a chance to spend time with her as the years flew by. Just wanted to share some good memories as I was around 7 yrs old then. I am sure she will be missed very much.
