“ *I'm So sorry to hear of Marion's passing. We purchased her Benicia home in 2004, we then got to know her through many visits from her one eyed, no tailed cat Faxy. We always exchanged letters at Christmas and in recent years it was returned. I tried to find her to no avail. I just stumbled on a letter from her from 2018 whee she says she was 88 aiming for 90...if she got there she'd aim for 100. I googled her name again which landed me her. My condolences to her family. I wish I got to say goodbye. Sincerely the Brooner family in Benicia* ”
