“ Thank you for all the years of memories. You took this picture while I/we travelling home from Deception Pass. Rest in peace my friend you are now a true Free Bird.

Sorry for your loss mother. Eddie was a cool dude that I have many fun memories with as a child. He will truly be missed.

Jerimiah Adkins thank you son. I will tell you a secret. Your first Christmas we didn't have money for a tree . So Eddie went down the road with a shovel and a big bucket and dug up a tall round hedge (yes we put it back) and made sure you had a tree. We made paper snowflakes on the paper you colored. Strung popcorn and put tinsel. He was a good soul.
