

Eldon Wilfrid Younger MD

May 9, 1937 - October 10, 2015

Dr. Eldon W. Younger, 78 of Corvallis died October 10th.

Tribute Wall

KN

“ We are but one of many families who had the privilege of knowing and working with Eldon as a pediatrician. He is remembered as a kind and caring physician for our children, Christine, Daniel, and Paula. He was especially concerned about ways to provide important services for Paula, and we worked with him as he referred her to the CCD clinics. When I became a pediatric nurse practitioner I spent professional times with him as well. He will be well remembered and missed. We send our sincere sympathy to his family from ours.

The Novaks, George, Kay, Christine, Daniel, and Paula

“ It is with a heavy heart and a great sense of loss that I learned of the death of Eldon. When I first arrived in Corvallis and joined the Corvallis Clinic Pediatric department, he provided a role model for me to follow. His quiet demeanor and love of children was obvious in every interaction with all the patients he saw. He provided medical care at the highest level but supported his patients and parents with a gentle and calm manner. The Corvallis community will sorely miss his service and dedication.

May you now rest in peace.

You will be truly missed but you have left behind a legacy and standard of conduct for all to follow.

“ In the mid-80's, Dr. Younger became the pediatrician for our special needs little boy, Adam. He was a support to all three of us for many years, taking care that Adam was in good physical health and that his parents were in good emotional health. Adam is now 32 years old and living very successfully in a group home. There is no question that Dr. Younger is part of that success story. We remember him with great appreciation and fondness.

“ *We have lost a kind, caring and loving doctor and member of our community. We are grateful for the love and care he gave our children, the guidance and help he gave us as parents and the love he shared with our community. He touched many lives, and he leaves a legacy of love. Masa and Nancy Matsumoto*
