“ Generous, kind, caring, loving and a joy! You are such an inspiration to me. We met when I was 14 through Tim, and I always looked forward to visiting you and Dick. The depth of love, concern and care you showed me impacted my life immensely and has left a ripple effect to this day. You helped me to understand life and all the good, hard and uncertain times we experience in it and how we grow through them. Our talks and the times that I would visit you and Dick are priceless memories and have assisted in making me the person I am today. Thank you for taking time for me. I know a while back I came to you and Dick, tears in my eyes and a smile on my face to say thank you for all your kindness, love, support and friendship over the years. I wanted you to know you had a measurable impact on my life; and you always will. May you rest in peace in the loving arms of the Father, bask in the glory of Christ and feel rejuvenated in the Holy Spirit and tell Dick hi for me and I love you both. If you are looking down, know there is a life down here you enhanced, just by being you. May your family be filled with the peace and comfort they need during this time. With much love - Sara
