“ Mrs. Peterson was the mother of my good friend Holly. Holly I've known since First grade and thus her parents were part of my earliest years until now.
Mickey was always gracious and kind to me. Interested in what I was doing and showed kindness.
Even if Holly wasn't home and I had rode my bike to Bellfountain, Mrs Peterson would offer me a drink or cookie or something .
Opening her home like I was one of her family. She had such a great twinkle and laugh. Like a melody.
For Holly and Heather and the rest of the family ,
I'm blessed to have known her. She lived a very good life. May God comfort you and give you peace .
