“ I grew up in the same neighborhood Diane and Gary did. Evelyn and Larry Leffler were the nicest parent couple in the Oakville area. There were others that were nice, but Evelyn and Larry had that extra spark.
All of the high school/ middle school kids of the neighborhood felt complete ease with the Lefflers. I'm 67 years old now. My knowing their family and seeing them ended almost 50 years ago. But I have fond memories of their entire family. Today I felt young again thinking about the entire Leffler family. Thanks for the memories!

“ So very sorry for your loss. I think I had done her hair every week from the mid1970's to 2016 when I retired. I always looked forward to seeing her as she was a very special gal. Her sense of humor was great, oh we would laugh and have so much fun. She loved her family and was always excited to see them . May her wonderful memories give you comfort. Hugs Dee Putman
