“ *When Sara and I first met you we were impressed with your demeanor and your spirit. You were a blessing and we became quite attached to you, you are missed, kind soul.*

“ *I'm so sorry to hear of Falco's passing. We had so many wonderful memories when our daughter was young with Falco, Ayesha, and the girls. My heart breaks for the girls and losing their dad. I remember fondly all the fun crafts, art, outdoor adventures, and games Falco created for the kids (from the raspberry birthday parties, to the farm, to camping out under shooting stars, to the many crafts, to the community center classes). No matter what it was we did as a family, Falco always brought imagination and a loving spirit. We send our deepest sympathy for your loss. Donna, Ben, and Sophie*
