“ We remember Frances as a "mainstay" in the soprano section of the First Christian Church choir. She had a friendly smile and was always ready for a good laugh. She was one neat lady. Our condolences to her family.

CR

“ *To all the Younger Family*

Frances was such a delight to be around whether it was singing in the choir with her, enjoying small groups together., or visiting one to one. I cannot remember when she was not present at First Christian Church when we started attending so many years ago.

She was a supportive parent when we worked with the youth of our church in our younger years. What fun we had with her kids and she must have trusted us.

I loved her smile and humor. She sat behind Neil at church one Sunday just before she was not able to attend our church. She tapped him on the shoulder and said, "Yeah, I do see a few gray hairs on the back of your head !" We all laughed as it was so Frances.

She loved her family so. God blessed you with such a loving Mother and her legacy lives on in all of you.

Peace and Blessings,

Cherie and Neil Reynolds

“ My condolences to the loving family of Frances. I was privileged to know her for an extended time when Roger asked me to help her exercise. We started out in her room at Samaritan Village and soon grew to include many of her friends there, so moved over to the Fireside Room. She was always a good addition to the group, lighting up the room with her smile and sense of humor. I have still been teaching there these past several years on a volunteer basis, all because I started with Frances. Of course, we are shut down for now, but I do have many fond memories of your mother who as she liked to say will always be "Younger" than us! I am sorry for your loss, she always spoke so highly of her family, how lucky you were to have her for a mother. Warm regards, Monica
