“ *My Deepest Condolences to Gen's family. I am so grateful to have spent time with her, her daughter recently. Gen and I were classmates in a spanish class, and enjoyed our time together after that. My grandson, Sam, and hers, are very good friends, and she is and will be, very much missed. In Loving sympathy, Maggie*

“ *Although I only knew Gen for a relatively short time, I feel very lucky to have had that opportunity. She was a true and genuine lady, in all the senses of that word; I only wish I had made her acquaintance much earlier! My condolences to all the family she loved so well. Alison Moldenke*
