“ I always enjoyed going to Nashville for my annual insurance visit with Gladys and Jean. Gladys always enjoyed showing me around her large beautiful home. One time she had an antique large plastic santa in a sleigh with two reindeer, to put out in the yard and she asked if I would like to have it because she no longer used it. I still have it and still put it out at Christmas and I always think of her when I do.

I will miss her! Gary P White
