“ Jim and family, I loved going into your family's Western Auto in Brownsville while growing up. Your parents were the kindest people I had ever met. It was always fun to visit with them and dream of things while in the store. Your mom's story is very nice to read. I am sorry for your families loss, and very thankful that one day we can all be together again. What a great day that will be truly! Tena Cowdrey Fitzmorris
