“ Hazel was a wonderful lady and it was my honor to help care for her when I worked at Regency of Albany. She always had a smile for those she liked. Hazel loved to have visits from her family and friends. She will be missed by everyone who was blessed to know her. May she find peace now in the arms of our Lord.

“ The words say so little of the way I feel. I can only imagine the pain your family is going through. I am sure the memories I have of my sister are different than the ones you have. I will cherish the way she laughed. And yes, I will always be her " Baby Sister ". I was proud to be that sister. I am so glad that the Girls and I were able to come see her last fall. My greatest sympathy for all of the family. I want you to know that even tho I can not be there, my heart is. My prayers are with all of you. Love Gladeen & DuWayne too!

“ Aunt Hazel, I can see you now standing over the ironing board @ your Boulder ST. house talking and teaching me about life, when I would spend my overnights @ your house. It was special growing up through my teen years spending time with you and Uncle Lawrence and having fun with Linda and the boys. Don remembers always seeing you and Uncle Lawrence when we would go home to Colo. Spgs. when we lived in Maine. We had such fun visiting and catching up on each others lives. We always kept in touch and you two would make a point to visit Don, I and our family in the Spgs. when you came to visit Mom and Dad. We are joyful that you are back together with Uncle Lawrence, the love of your life. When it is our time to come home to heaven...please plan another big party and get together playing cards, laughing and reminiscing about the "Good old days". Say Hi to everyone for us. Love Marikay and Don (niece and Husband)

“ I miss you grandma. I love you and I will always treasure our special times playing cards and when I lived with you and grandpa right when I graduated from college for a couple of months when mom and dad were building their home in Albany. Rest in peace.
