

Hazel Jane Lindsey

September 19, 1936 - November 23, 2015

Hazel Jane Lindsey, 79 of Corvallis died Monday at Legacy Emanuel Medical Center in Portland surrounded by her family. Hazel was born September 19, 1936 in Spokane, Washington to parents Thomas and Edna Buffett Flack. She graduated from high school and began her working career in banking when she was just 18 years old. She married Richard E. Lindsey in 1955. The couple had six children Rick, Ted, Shauna, Mitch, Melanie and Marty. Hazel worked in a variety of capacities in the banking industry in Nevada and Oregon. She retired in 2005 from Farm Credit in Harrisburg. In her leisure time, she enjoyed sewing, gardening, quilting, shopping and spending time with friends at the casino. But her greatest love was that of family—spending time with her children and grandchildren. She will be remembered for being a strong woman who wasn't afraid to speak her mind. She had a sweet sassiness, and a kind heart; always accepting of others, showing unconditional love to all. She was 'Grandma' to many—blood related or not.

Hazel is preceded in death by her parents and her daughters Shauna and Melanie. She is survived by her former spouse, Richard Lindsey; children and their spouses Rick and Karen, Ted and Stephanie, Mitch, Marty ; 9 grandchildren Jessica, Brandon, Dustin, Colter, Jade, Derek, Danielle, Teyana, Hayley; 6 great grandchildren Trever, Amiya, Ezra, Kaela, Kash, Penelope, (and Baby Knox on the way), her sister Tammy Holdren and numerous nieces and nephews.

A viewing will be held from 11:00 am to 2:00 pm, Friday November 27th at McHenry Funeral Home. A memorial service will be at 11:00 am, Saturday, November 28th at the funeral home. The casket will be open one hour prior to the service.

“ Hazel was a one of a kind woman! She always had a ear to listen and was not afraid to tell you what you needed to hear. She love whiled heartedly. She accepted my children as her own and kept my husband in his place! He lovingly called her "grumpy old grannie" and she would smile and give him a hug. We will miss her tremendously.
