“ Oh Smitty...I was thinking about you not that long ago. It's been years since I've seen you but you left an impression on me. I knew you from working at OSU, I remember you coming into the office to drop off shipments. You were the best! Everyone loved Smitty! So many good memories of you...your Christmas Rum balls, your corny jokes. The 'Schmidt House'. You had such a good sense of humor and I remember your keen woodworking skills. You made me a spice cabinet that was so refined! So much thought went into that piece of work. Always in my heart Smitty. .
