“ *My sympathy to all of Hughie's family. I have such fond memories of Hughie during our Tap Room years, which was a great time. I can't imagine anyone being able to remember Hughie without having to smile. He was always so good natured, smiling, laughing, joking, friendly and nice to everyone. I always admired the close friendship that he and Gary (cousin) had. Hughie was always a ray of sunshine. He got taken away too soon, but he is probably still laughing and joking.*

“ *I was saddened to hear about Hughie. I want the family to know that they are in my thoughts. I knew Hughie when he was in High School at Central. I was from the rival town of Dallas, but spent time with Ron (cousin), Hughie and friends. I will always remember his smile and laughter.*
