

## Iris Mayvell Johnston

July 23, 1923 - July 10, 2015

Iris Johnston 91, of Albany passed away July 10, 2015 after a long illness. She was born July 23, 1923 in Belding, Michigan and lived most of her life in that area until 2008.

Iris especially enjoyed flowers (purple irises, of course), massages (her therapy), church, and going to the Grace Center for Seniors (her work). She felt called to help the new clients get comfortable with the routine and to be the prayer warrior for everyone.

She is survived by her former daughter-in-law Patti (Wilcox) Gural; grandchildren Bill (and Angela) Lewis, Shannon (and Kaori) Smith, T. J. Steele, Nicole (and Bill) Schloss; great granddaughter Kate Lewis and many others.

Iris was especially grateful to the people at the Harmony House where she lived her final years, the Grace Center that helped her remain active and Dial-A-Bus Service for helping her remain mobile.

“ *I'm almost 40 years younger and a former letter carrier and I remember her walking as fast or faster than me. Very blessed I was able toert her and have her presence in my home and my life. She will be missed but she is now back home.*
