

Jami R. Barone

February 19, 1972 - February 6, 2023

February 6th, I lost my best friend and soul mate. Jami was sick for some time, and I am glad he is in a better place. His family and friends miss him. Jami was the most amazing person I have met in my lifetime. We were together 28 years. He was a fantastic father. Jami was always' adventurous. He was not afraid to do anything, I mean anything. It often got him in some trouble. Jami loved music he has almost every instrument and learned to play them all. He loved golf with his friends. He played on the HP golf league for many years. He enjoyed all outdoor activities, Snowboarding, mountain biking, hiking, and so much more. There is so much more I could add, but plan to share all memories at his celebration.

Jami family would like to invite you to a celebration of his life Saturday March 4th at 2:00pm at Central Valley Church, 657 American Dr, Halsey, OR Please share your thoughts and memories for the family at www.mchenryfuneralhome.com.

“ I have known Kim and Jami through working at HP. First time I had ever worked on the same team with Jami was on our new 3D Printing Team. Those days bringing up a new lab was full of excitement and chaos too. Jami worked hard, helped everyone and was one of the guys who made the day fun as well. He was such a quiet, kind guy and I am glad I got to work with him for several years. Kim, thank you for setting up the Live Celebration of Life. I was glad John, and I could attend. You and your family are in my thoughts and prayers. RIP Jami – you will be missed!

“ *Jami was a joy to work with and a great team member. We meet in 2004 on the Lightscribe program at HP and I had many opportunities to work with him over the years. He had a gift - a blend of social skills, focus and drive. He could instantly develop a rapport with people which made for a fun work environment. That helped teams work together and achieve success. I am honored to have known Jami. He is greatly missed.*
