“ Janet Wood will always have a very, very special place in my heart. She was dear to my entire family, she treated me like a daughter. She and my father went to high school together, our families grew up together. Mrs. Wood was so incredibly kind, and full of grace. She was a very special lady (and... she would always stand behind Wendy and myself when we did silly things). The many wonderful memories I have of her, I will always cherish.

much love, Sallie Wunner (Freising, Germany).
