

Jeanne Michelle Gragg

September 2, 1959 - December 13, 2021

Jeanne Michelle Gragg has passed from this life to the higher calling. She was 62, passed suddenly on 12/13/21. It is with great pain and sorrow that we send our sweet Jeanne on to her next great adventure. Jeanne attended and graduated from Idaho State University on a full ride Basketball scholarship. Jeanne loved teaching and she really loved Basketball.

Jeanne is survived by her adoring wife of nearly 28 years. Jeanne is also survived by her mother Marilee; sister Donna, brothers; Kenny, Bryan and Bryce; she is also survived by 3 nieces, Pamela, Holly and Elizabeth, and 6 nephews, Kevin, Alan, Brenden, Jonathan, Nathan, Kyle. She is also survived by all the littles; 6 great nieces and 7 great nephews. Jeanne insisted on striving to have a working relationship with each and every one of her family members.

Last but not least Jeanne is survived by many many friends near and far, from long ago and recent friendships, she valued everyone she met. Jeanne retired from Hewlett Packard as a procurement specialist after devoting 25 years to this company famous for it's HP Way and even though the phrase isn't mentioned much anymore, it was a way of work life for us ole timers.

Jeanne continued to have a genuine passion for women's basketball at all levels. She and her partner were long time season ticket holders for the Oregon State Women's Basketball Team. Jeanne loved nature, tootsie rolls

and giving gifts. She was an amazing, loving, calm, peaceful and bright light. She supported everyone with positivity and love. Jeanne will be sorely missed every single day. She must have big adventures ahead in her new role.

Jeanne will be celebrated at a “Celebration of Life Ceremony” in early summer 2022 at a park in Corvallis. Giving a better time and weather for family and friends from afar to attend. Details to follow for those interested. In lieu of food, baskets or flowers Jeanne would have folks make donations to Benton County Food Bank and/or SafeHaven Humane Society.

“ *Jeanne was a beautiful creative, intelligent, loving. Ect . She didn't know a stranger. Her smile was radiant. I loved getting hugs from her.*

Visiting her an Pat at home many times, impressed me with all the positive vibes, symbols and loving home. I didn't know Jeanne as long as many.

However she made me feel like she had always known me.

Till we meet again, RIP and may your new adventures be great.

With love and hugs.

“ *Jeanne was quite possibly the sweetest individual I have ever had the pleasure of knowing. Her persistent smile, witty humor and generous personality made the world a better place to be. She will be missed immensely. Ryan C, HP*

DS

Jeanne was a Once In A Lifetime Soul. When I heard of her passing all I pictured was "Dancing JG" across the Heavens. Our hearts are broken for all who loved Jeanne...but know she is off to a Higher calling. Thank you Jeanne for being a Bright Light in this often dark world! Love from Michigan Pat. Doni and Christine Simon

Jeanne really was/is a beautiful soul. One of the gentlest women I have ever known. I am going to miss her and think of her often.

I worked with Jeanne for many years at Hewlett Packard. She was a such a pleasure to work with: kind, competent, professional, and pleasant. She will be missed by so many of us. Lee Mason
