“ At one time I had many years of class group photos of Jeff and I remember him as always being a "good egg" meaning thoroughly reliable, always pleasant to be around with a quiet intelligence. The last time I saw him (class reunion) he was planning on moving to Oregon and I'm so happy he had a good life and family there. He deserved it. And I'm quite certain he was so sorry to leave, but will be with you all in loving spirit whenever you need him. May God give you strength in the days and months ahead.~ Laretta Newby - Central Lee High School - Class of 1975

“ Sorry to hear of Jeff's passing. I worked with him at HP and ran into him from time to time. He was one of the good ones!
