“ Hey "just Jim" our Maddy 🐛 used to call you this when she was knee high to a grasshopper 🦗!
We love you, unconditionally.
Shit went sideways at times and we forgive you.
I will never forget that look on your face when I said to you... "Hey bro, can you do me a solid?"
I know you and Kimmy are looking out for the family and eating cupcakes together.

“ I was married to Jim for many years we were dumb kids . I like to remember all the good times. He sang to me in front of a crowd of jocks not his people, I fell in love,he could be a charmer, funny ,and smart. Going on adventures on his bike were my favorite. He once gave me a stuffed zebra with no eyes he had removed the , the card reads you would have to be as blind as this zebra to not know how much I I love you. My favorite gift he ever gave though is my handsome smart , loving son. James (Jc) Campbell McLean Jr.Our beautiful granddaughter Brielle McLean . I will always remember the good times .
