“ *My heartfelt sympathy and condolences to John's family and friends.*

I met John at Bancroft, we went to Fairfax High, and stayed in touch till around our 30s - you know, when life happens (and you get too busy making plans . . .) and you loose touch.

I remember Frog as being very intelligent, funny, and talented. A good friend, a good person, and a kind and beautiful soul.

I am blessed to have known, and have had Frog in my life.

May your name be a blessing
