

John Ernest Liljeberg

February 21, 1947 - January 28, 2024

John Ernest Liljeberg, age 76, passed away on January 28 after a long illness.

John grew up in Coos Bay and still has lifelong friends there. He moved to Corvallis and attended Oregon State University where he received his mechanical engineering degree. He also proudly served in the US Marine Corps Reserve at this time. John spent most of his professional career designing assembly lines and conveyor systems. John married his wife of 36 years, Susie, in 1987.

John enjoyed hunting, woodworking, and just being outdoors with friends. He is survived by his wife, many nieces and nephews, in-laws, and wonderful friends. He will be missed.

No services are planned at this time.
