“ Where do I start ,without Karen I wouldn't be the person I am today she was the best thing that happened to me ,she raised me like her daughter and had done more for me than anyone ever has, she was the mom I never had I will always be thankful for her I miss her so much I wish I would have seen her before she passed but I am so thankful I got the conversations I did on the phone before she passed I love you Karen more than you will ever know.....You are a heavenly sent angel ❤️

“ Karen was my sister-in-law. Although John and I are too many miles away, she is missed. Karen and Charles always heartily welcomed us into their home. We spent great hours together when visiting, whether at their home in Halsey, or on the coast. One of my fondest memories is traveling with Karen as we toured Oregon on one of my first trips out there. She shared her recipes with us when visiting Tennessee. She loved kitties and flowers and was a comforting lap for our cat, Tiger, when they visited Tennessee. I especially enjoyed our last telephone conversations over the past few weeks. I am forever grateful for her presence in our lives. I only wish we had lived closer to each other and could have enjoyed more time and conversations. She is missed! Yes, I loved her! John and I send our sympathy and prayers of comfort to all the family.
