“ *My Auntie was a gifted artist-able to make the most beautiful flower arrangements. I told her I wanted my bridal bouquet to look just like Princess Diana's, and she didn't disappoint! She taught me how to make Christmas wreaths and there was always something good to eat at her house(& a drawer full of candy treats). Her door was always open for folks to stop by, but if you were there during her mid-day "programs", you might have to wait a while to visit:)*

XOXO
