

Keegan Beattie

June 14, 2004 - March 23, 2021

Keegan peacefully passed away in the early morning hours of March 23rd, with his mom by his side. He was a lover of the outdoors, soccer, woodworking, OSU and most importantly, his family & friends.

Keegan was known for his love of life, infectious laughter, witty comebacks and hilarious shenanigans. He loved spending time at his family's beach house in Delaware and at the Alsea cabin, but his favorite place was at his home on the farm, roaming the acres of trees with his brothers & dogs.

Keegan was a junior at Corvallis High School, a member of his school's soccer team, and a devout member of the LDS church.

He is survived by his mom, Jackie Beattie, and his dad, Zach Beattie, as well as his younger brothers, Kayden and Kyler; grandparents Reed & Peggy Glasmann, Todd & Vicki Beattie, and many aunts, uncles, cousins and friends.

Keegan's funeral service can be viewed via the following Zoom link on Monday, March 29th at 11:00am:

“ Came to visit Keeg today and hang out since Covid robbed us of that. At least the sun was shining and he didn't let it rain on us today. There are still no words.

Phoebe, thank you for taking the time to state how Keegan has been a part of your life. He is my cousin once removed, but as of yet I haven't got to know him. I am glad to learn more who he is through your experiences with him. Siri Annette Capener Jacobsen

“ Thank you for sharing Keegan with us. It was a joy to remember him with you all today, and I believe that all of his new friends in Heaven will love and appreciate his beautiful spirit as much as we did for a short time on Earth. God has gained a special angel. My thoughts, prayers and love are with you all, Denise Wells

“ Keegan was a student in my Foods Class at Corvallis High School in his Freshman year. EVERY day Keegan brought his smile, his kind words, his laughs with him to class. Surrounded by friends, classmates, many of them at the goofy age of Freshman, he laughed and brought laughter with him. I remember being amazed at how he held true to that kind and positive nature truly EVERY day. While I do not look at the world as unfair most of the time, this one seems immeasurably unfair—a real light of a boy, young man, person gone way too soon. May his light and memory be a blessing to his family. I feel honored to have known Keegan briefly.
