“ Dearest Kobayashi Ohana,

My heartfelt condolences goes out to all of you. I will always remember Kendal for being such a kind, warm hearted student with good values, along with that winning smile. He was such a great student with great ambitions. I will always keep these memories deep in my heart. He will always be remembered for all the goodness that he shared with everyone around him and especially that happy go lucky attitude.

Derek and Kathy you have raised such wonderful sons that made our lives as teachers so much easier and I thank both of you that I could share those memories of Kendal. I will hold those memories close to me of Kendal in my 6th grade class and those memories will never be forgotten. Kendal was a great student, very ambitious, intelligent and a respectful young man. My heart and prayers goes out to the family and I know that he is smiling down upon us.
