“ So sorry to read of Kenny's passing. I so enjoyed working at the FS with Kenny, Lonnie and Vern in the late 60's. Everyday was a learning adventure and the Woosley's played a big part in it. I did not know Kenny lived in Albany. I do too and I would have dropped by to see him. I would so like to be at his funeral tomorrow, but I had a MC wreck a couple of weeks ago and am house bound.

“ Years ago, my husband and I ran the Farmer's Kitchen and this was while the Woosley family lived here. I don't have a specific "story" to share, but do remember the Woosley family coming to our place and having fun and that we enjoyed having him as a customer!
