“ Kirk was my partner in the work area when I started at HP. He was always helpful and kind. I've run into him now and again around town and we'd stop and chat. If I remember right, he had family in La Grande, but I don't know more than that. I hope he's at peace.

“ I knew Kirk as well, through HP. We were friends. He was always so kind and generous. So thoughtful. It is sad to hear of his passing. Although I haven't seen him in years, decades I guess, it sure would be nice to have that one more conversation. Rest in peace Kirk

“ The only family I knew of was the Sorenson kids. They were his step siblings. He was a kind soul. I have known him since I was 12.

“ I worked with Kirk at HP. he was a very effective engineer. He was kind to me. One time to show his appreciation for the machine operators he took the entire department out to a nice restaurant. So sorry he is gone.
