

Kris Lee Flegal

June 22, 1951 - December 11, 2020

Kris Lee Flegal, 69, of Philomath, Oregon died unexpectedly at his home on Friday, December 11, 2020.

Kris was a lifelong resident of Philomath, Oregon and graduated from Philomath High School in 1969. He was employed with Pioneer Telephone for 35 years where he retired as a cable splicer in June of 2006.

In his retirement years Kris enjoyed traveling with his wife, Teresa, cooking, movies and was an avid reader. He also, more than anything, loved spending time with his family and was an amazing and loving Husband, Father and Papa, who doted on his wife and family. "Papa" as he was affectionately known by his family, had an infectious sense of humor and always brought fun and laughter to every occasion. He loved family gatherings where he could share his new found culinary and BBQ skills and always managed to make every gathering extra special with his special touches.

He is survived by his loving wife, Teresa Flegal, of 23 years, His mother, Pearl Flegal of Philomath; Son, Lee Flegal (LouAnn) of Grants Pass; Step daughters, Kimberley Kinion (Roy) of Toledo; and Brandy Thomson (Ian) of Philomath; 10 Grandchildren, 5 great grandchildren and 2 nieces. He was preceded in death by his Father, Jack R. Flegal; daughter Lynn and his sister, Karen.

No services are planned. In lieu of flowers please consider making a charitable donation to the Salvation Army or your local food share. Papa would love that.

He will be missed beyond words. We love you Papa!!!

“ Even though Kris graduated with my older brother "Mike", Kris became a good friend to me. His smile and laugh were infectious and I always looked forward to the next time I would see him! While his mom was ill and still living at home Kris would drop by my office and commiserate about all of the challenges that his mom's memory loss would cause for him and Teresa. Kris and Teresa are dear to my heart and I will miss him!
All my Love to Teresa and Family!

“ So many great memories: motorcycles, cars, trips to the coast (getting drenched at the Devils Churn) we had a lot of fun. I'm missing you already Kris.

“ I was lucky enough to see Kris at the post office a few days prior - we were wearing our masks & stopped to talk briefly - out of the blue, Kris says "How'd you know it was me?" We just looked at each other & started laughing...yes, he always had that great sense of humor! It's nice that I have that last memory with him. You will be missed by many, Kris...Rest in Peace. All my loves to Teresa & family...love you all. 💕💕

“ *Funny how much a person touches other lives. Many adventures with Kris and friends when we were young. Hikes and walks in the woods on train tracks. Trips in cars and testing new freedoms. Coming of age. Kris had charisma and Kris had that infectious laugh that makes me laugh even now. I'll bet he would like that. Rest in peace and thank you for those memories.*
