“ We were very sad to when we read the notice of LaVerne's passing. On visits to Regent Court, I had seen him slipping away, and then he was gone. He was a fine man, and we will miss him.

We honor him for his love of family, his contributions to the university, his membership in our community, and the service and dedication he gave to the safety and security of our country.

I know this is 7 years late, yet I still feel compelled to post. Met LaVerne at OSU in 1980 as a participant in the Army ROTC program. He was a gentle soul with strong character. He was a mentor when I didnt understand what mentoring was. We continued our relationship after I left the ROTC program and he retired. He was later a valued mentor when I entered management. Rest in Peace my friend. I miss the conversations we had.
