“ Dear Buzzie- Andy and I were very sad to hear that Lew had passed. But Andy says you are now free to marry him! He's always called you his girlfriend you know. If there is ever anything you need, just say the word and we'll be there for you! Lew was always so nice to me when I would come to visit Andy at the station. We will miss him.

“ Dear Buzzie, Although its been a very long time since I've seen you I think of you often and I was saddened to learn of Lew's passing. I know he was a mentor and good friend to Jack and we will both miss him along with his fire department crew.

We had fun in the limo ride to Lew's 50th birthday party and enjoyed meeting your family, one of your New Year's Eve parties, and of course the slow river float down the Willamette where we all got sunburned. Plus, all the crazy and wonderful get togethers planned by Burla.

I still have the quarter that Lew gave me that has the heat bubble on it rescued from a local fire and I will treasure it forever.

Please accept my condolences to you and your family at this difficult time.

Sincerely, Judy McCann
