

## Lillian Berniece Bradley-Wortman

December 5, 1919 - August 29, 2024

The light of the world dimmed a bit on August 29, 2024 when Lillian Bradley-Wortman passed away at 104 years old.

Lillian was born December 5, 1919 in Stanton, Nebraska. That is also where she grew up until 1943 when she met Edward Bradley at Ft. Robinson and ultimately married him at Odd Fellows Hall. Lillian and Ed loved ranching and embraced the hard work that came with it. Ed was in the military but after World War 2, he and Lillian were able to move to Washington State together. In 1953 they moved to Southern California and raised their family. After they retired, they moved to Eddyville, Oregon.

Lillian loved family more than anything else and was extremely dedicated to all her family. When Edward became ill, Lillian changed her lifestyle to be his caretaker until his passing in 1993. Lillian then married Lloyd Wortman and relocated to Montana for several years until Lloyd's passing. Family and the love of the Pacific Northwest brought Lillian back to Oregon, her final resting place.

Lillian was an amazing person. Her zest for life and her ability to tackle any task or challenge that was put before her was like no other. She had many hobbies and talents, that included crocheting, sewing, cooking and gardening. She had an incredible ability to make everyone laugh with her great sense of humor. It could be her quick-witted response, a story or a well-thought-out

prank, but Lillian always had a way of amusing or tricking you.

Lillian's relationship with the Lord was profound and sincere and thought brought her comfort and peace at many times in her life and of course when it was her time to leave her earthly family and join those that had passed before her.

She was an empathetic listener who would always be open and honest with you and work diligently to assist you if help was needed. In her last years, Lillian needed more assistance than she desired. She was always exceptionally independent so relinquishing control and asking for help was not easy for her, but she handled it with grace and dignity. Lillian was appreciative and grateful for the many people who made her life easier and accommodated her needs.

Lillian's legacy lives on through her family, Ronnie (Debbie) Bradley of Eddyville, Keith Bradley (Ginny) of California and Robert (Patty) Bradley of Eddyville and stepson Keith Wortman (Colorado) and stepdaughter, Jody Sprout (Montana). She is also survived by 7 grandchildren and numerous great and great-great grandchildren. Lillian was preceded in death in 2016 when her prank partner and grandson, Dakon passed.

Lillian will be missed by many as she left an impression on all those that met her. If you would like to make a donation in remembrance of Lillian, the family suggests the Blodget Church.
