

## Linda Jane Rettig

September 11, 1943 - October 28, 2023

Linda was born in New York City on September 11, 1943. She moved to Bellevue, Washington as a toddler and raised there. She graduated from the University of Washington where she met Bruce Rettig and they were married in 1965. Bruce and Linda relocated to Corvallis, Oregon in 1968.

She was co-owner of Finders Keepers Antiques at the fondly described “Lewisburg Mall” with her good friend Sheri Buchanan. When the shop closed, she opened a booth at the Antique Mall in Albany. Over the years she volunteered for many organizations in Corvallis including Vina Moses and Heartland Humane Society Thrift Store. She was a Master Gardener, member of the Evening Garden Club, a flower show judge, flower arranger, bridge player and part of many other groups. For anyone who knew her, her garden was a showcase of beauty designed by her with many exotic plants and flowers.

She passed away on October 28, 2023.

She is survived by Bruce Rettig, Beth Chamblin, Robert and Heather Rettig and her beloved grandchildren Cameron, Nolan and Payton. Remembrances can be made in her name to Heartland Humane Society.
