“ We were neighbors on Canyon Drive in Corvallis Oregon. She gave us a huge welcome when we got there. Such a sweet lady!!!

“ I am so very grieved at the loss of Lou Ann. I didn't know her for very long, but in that time I found out why she was so special to everyone in our neighborhood. She was so very giving of her time and love. She knew every child on the block and they her. She was known to us all as "Gramma Lou". There are so many humorous stories I could tell, but I'll just say that she always had a twinkle in her eye and such sweet laughter coming out of her home. Thank you Gramma Lou for making me feel special...

*All my love to the family, friends, and neighbors -*
