“ So sorry to hear that Lucille had passed away. I worked beside her for many years and we talked and laughed a lot. What a hard worker. I always thought about driving up her road to say hi but like always I seem to be too busy. Take the time to do that because you never know when someone you love or know will be gone. With the weather I am not sure I can attend like I wanted to do. But please know she is in my thoughts.

Thinking of you all in the loss of dear Lucille. Thankful for knowing sweet Lucille since 2016. Her smile and quiet ways were always so precious. I'm very sorry that the weather hindered many of her friends from attending her service, including myself.
