

Lucinda "Cindee" Hendrix Moser

July 23, 1954 - July 6, 2021

Lucinda (Cindee) Hendrix Moser was born July 23, 1954 in Benton County to Ken and Mary Alice Hendrix. She was the oldest of three siblings: Ginger and Walter. After her mother remarried Forrest Sapp she also had a half brother, Jeremy and four step siblings. Cindee went to sleep peacefully on July 7, 2021 at the age of 66 in Corvallis, Ore.

Cindee attended Alsea High School where she graduated in 1972. In 1978 she married Bob Moser. After traveling the country as Christians they settled back in Oregon and had four children. She homeschooled all four kids, and every morning they started their day reading passages from the Bible. She was an amazing cook and baker, often filling the house with the scent of freshly-baked bread. She made every birthday and holiday memorable and special with her home-made cooking and warm hospitality. Year after year all her kids loved coming home to spend time together.

Later in life she was an active and loving grandmother - often letting the grandkids get away with much more than her kids ever got to.

Cindee was an incredible believer and devoted much of her life to studying the Word of God and getting to know her heavenly Father. She knew beyond a shadow of a doubt that Jesus Christ will return with the sound of a trumpet, and the dead in Christ will rise to meet him in the air.

She is survived by her husband, Bob Moser; her children Andrew Moser; Hannah Mahler; Sayde Walker; and Rebekah Moser; and five grandchildren. She is preceded in death by her parents and two step brothers.

A service is not planned at this time. Donations can be made in her honor to Emmaus Road Bible Fellowship

“Cindee, I miss you! I loved Cindee's smile and her laugh. She just seemed to love life. As kids it didn't matter who you belonged to. We were all family, my Mom's side and my Dad's. Cindee came to my mother's side of the family reunion a couple years. She brought some homemade lemon bars one year. She called me over and wanted me to taste one to make sure they were OK. She wanted to make sure they were good because she wanted to be invited back the next year! Cindee was a special light that has gone out too soon.

“My memories of Cindee go back to when we were just young children. Getting together at Grandmas for holiday fun and great food. I am so glad that she was able to join us for birthday lunch last November and shared her smile and laughs with us. We will all miss her deeply. Our thoughts and prayers are with her family and we hope that their faith and memories will ease their sadness.
