“ Dear Martin, Marty, Ann and Susan,
Marian's death was a sad shock for our family. Not only did she and I share memories of childhood and growing up in Lemolo, but as young, single working gals we had a lot of laughs and fun. I remember when she started dated Martin. I also remember the fun we had in business college. We were both proud to be Mr. Murphy's "special girls." He would call us his girls and had a nickname for all of us. I was Pete. Marian was Hilt and Kathy Steenbach was Steen. Those were fun years. Later, and before the family moved to Oregon, we would get together with all our kids.

Marian was an old, dear friend who gave so many of us lots of laughs. She had a quick wit and when she used her Norvegan accent, she was the best. Talented, fun, very loving of her family and friends, so smart. We will just miss her so much but know she is still making people laugh in her new home. May God Bless Her and those she loved. “ Mrs. Thompson had an infectious smile and laugh. She loved her family and her friendships. She was always kind to me and I am very sad she has departed this world for the next. I mourn for her family's loss of such a bright and loving spirit.
