“ *Sadden and shocked and so sorry. I loved this gal. We often went to lunch together and shared our love for Fenton glass. We had several dinners together with Ron and Marilee. Then my hubby passed, a few years later Ron passed and we just lost contact with each other. Then out of the blue she called me a couple of weeks ago and we promised to get together soon, but the virus prevented it. I will cherish that phone call forever. I will miss her.*
