

Mark Bradley Arkills

July 16, 1964 - August 4, 2021

On Wednesday, August 4, 2021, Mark Arkills, loving husband, father, and Papa passed on unexpectedly at the age of 57.

Mark Bradley Arkills was born on July 16, 1964, to Dick and Deanna Arkills in Seattle, WA. When he was seven, Mark's family moved to Hermiston, OR. As a student at Hermiston High School, Mark was active in DECA, wrestling, football, and Honor Society. Mark continued playing football at Eastern Washington University until injuries led to a decision to give up the game he loved. He transferred to Blue Mountain Community College for a year to earn his Associate's degree, then transferred to Oregon State University where he earned his bachelor's degree in business and economics. While at OSU, Mark began his career at Holiday Tree Farm.

For 35+ years, Mark's commitment and loyalty to Holiday Tree Farm was unprecedented. During this time he also served on the Pacific Northwest Christmas Tree Association Board of Directors, including as President, the Oregon Christmas Tree Licensing Committee, and various other committees. In 2017, Mark was the recipient of the Herb & Helen Plumb Award for his outstanding contributions to the Christmas tree industry. This award is the highest honor bestowed to a member.

In 1997, Mark married Debbie Kaping. They spent the next 24 years doing what they loved: fishing, camping and attending athletic competitions with their three grandchildren.

Mark was a generous, kind, gentle giant and was deeply loved by those who

knew him.

Mark is survived by his wife Debbie, daughter Christy Weinhold (s. Brian), three grandchildren Cailee, Luke, and Alec; parents Dick and Deanna Arkills, brothers Tim (s. Della), and Dave (s. Shari); and sister Deanne Balland (s. Paul), as well as numerous nieces and nephews.

“ *Debbie and the Holiday crew:*

Sorry I am unable to attend the celebration from Washington and will miss greeting old friends made during my 29 production seasons helping with organizing tree loads and working with the dispatch operation.

Mark was definitely a force within Holiday and the tree associations. His contributions will be missed. My condolences to his family.

“ *Dear Debbie,*

My condolences to you and the rest of Mark's and your family. Mark had a joyful and bigger than most people personality. I will always remember him. Whether it was talking about fishing, sharing information about the Christmas tree and Forestry businesses, visiting at Ducks Unlimited events, chatting at the farm or going out for lunch; Mark was always glad to see you and made me feel welcome. One specific we often reminisced about was the day he, and Hal and Dave Schudel toured the mill I was managing at Albany. He was enthusiastic and inquisitive. That was Mark. May you find some solace in the knowledge that others greatly enjoyed being with him, including myself.

My heartfelt condolences on your loss. I am a neighbor of Dick and Deanna Arkills in Buckeye, Arizona. I met your husband briefly when he came at Christmas time recently.
