“ It is with deep sadness and pain that my brother and I say goodbye to our oldest brother, and my mother and fathers oldest son.

*Mark was a warrior with a heart of gold that was never given anything in this life, and never asked for anything unless in dire need. He lost in the Championship match of the Oregon state wrestling, 178 lb. Championship. We believe it was in part because he cut too much weight back in those days, to a great wrestler of the body type that was more at full strength in that weight class. You would never hear Mark say that, as "Gary was just a great, long wrestler that utilized his strengths in that match."*

*He never lost his love for wrestling, refereeing until life issues took over. His most beloved after that was as a Bicycle Tour Lead on the island of Maui. Through some harsh choices, he suffered in the latter years of his life. But his heart and mind never left his children Makalani, Cheyenne, and Maika.*

*The finality of death in this earthly life is devastating, when our loved one is gone, and no remorse, apologies, or reconciliation can be had. Through faith and the grace of our Lord, we are thankful he is no longer suffering, and with mom and family.*
