

Mark Scott Egan

December 6, 1965 - October 3, 2008

Mark passed away peacefully at home, surrounded by family. He was born in Aylesbury England where his wonderful sense of humor and taste for adventure led him to many hair-raising escapades at a young age. He was fearless and curious, taking off to explore the world around him, often to his Nana's dismay. He always returned safely though, full of laughter and excitement. When he was 8, he moved to the United States with his family, living first in Colorado and then settling in California. Mark graduated from Branham High School in 1983. In school, he discovered his lifelong love of the performing arts. Following graduation, he began his 20 year long career with Hewlett- Packard. He loved his job and his co-workers, always finding a way to make work fun and to brighten others' days. Mark left his position as a document administrator in 2006 when his illness became too severe.

Mark's family always played a central role in his life. He was a devoted son, brother and a magnificent uncle. His niece and nephew meant the world to him and he loved them like his own. His wonderful sense of humor and generous spirit will be missed by all he touched.

Mark is survived by his parents Brian B. and Angela Egan of Corvallis; sister Catherine Egan and her partner and David Acton; niece, Emily Shinn; nephew, Liam Shinn; aunt, Gilda Bowman of California; uncle Eugene Perry and his partner Sandra Perry and aunt Pauline Perry all of Aylesbury, UK as well as numerous cousins.

A Celebration of Mark's Life will be held at 4:00 pm Monday, October 6th at

the Episcopal Church of the Good Samaritan in Corvallis.

“ *Mark left us all better people with his zany humor and love of everyone around him. I so enjoyed working with him at Hewlett-Packard. Life is a school, hard at times because it takes hard lessons to teach us humility, and Mark learned his lessons well. He never let his situation get him down. Now he has graduated to better things. His example will ever remain with us as a bright beacon of hope.*

“ I was so sad to hear about Mark through the HP Alumni News and my deepest sympathies go out to Mark's family. I had the pleasure of working with Mark quite a few years ago at HP's Pruneridge campus and I still remember him clearly - such a happy person and a pleasure to be around. I am sure that he will be greatly missed by all who had the privilege of knowing him. Simon Cutting.

“ I just found out about the passing of Mark. He and the Egan family will be in my intentions, prayers and thoughts. I worked for Brian at Hewlett Packard in Corvallis, and also worked with Mark while I was a document administrator. He was well liked at HP, and will be sorely missed. He will be in a better place now. Also, he would want us to remember the good times, not to be sad. Best regards, John V. Peterson

“ *Mark was so much fun to room with - he always had a ready quip and we had a lot of good laughs. One thing that I'll remember about Mark is how wonderfully devoted he was to Emmie and Liam.*

“ *My Sincere Condolences to the Egan family. I remember having the honor of being Mark's nurse one night. He was in critical condition...but his spirit was light and with all his energy he was cracking jokes and making light of the situation. He had a jovial spark in his eyes that brightened as he got stronger...but never lost his spark and ability to make others smile. God has a special place for Mark although we: his family, friends and acquaintances are hurt by his early passing from this world, we are happy that he is at peace and his life has just begun.*
