“ To Marlene's family:

Phil and I are so sorry to learn of Marlene's illness and then sudden passing. Betty Chapman told me about her about 10 days ago. I just cards yesterday to send to her and her family. I just saw her obit in the GT online. I best remember her with having a good heart and welcoming guests into her home. She was a hard worker and always helping people. She was a devoted mother and Christian. She was my friend and I appreciate having known her. I am so sorry for her loss to her family, but better she be with Jesus than suffering here on Earth. May our Lord and Savior be with all of you.

*Sincerely,
Lois and Phil Whanger*

“ We met Marlene and family when we started going to the Nazarene Church in the early '60's when Roy Green was Pastor. She was always a gracious person and a good representative of the church. We could depend on the Lewis McIntyre family to stop by and take our 2 children, Gary and Donna to Sunday school , and if I remember right, Sunday School was in session 1 1/2 hours before Church Services began at 11am..

which we attended.

It was a pleasure to know Marlene and enjoy her hospitality and visits to her home,,we are so sorry to hear that she has passed on, but also assured that she is in her Heavenly Home with her Savior Jesus Christ... You will be missed, dear Marlene!
