“ Dear Rob and Robert, Jr., Gerry shared Marlene's obituary notice with me by mail. I am Marlene's 1st cousin and remember her as a little girl as well as a grown woman. I especially recall you visiting my parents in Pittston when Robert, Jr was a little boy who fell off the steps of the backdoor. Altho I lived on LOnG ISland most of my life we had a great reunion with Gerry, my sister JOan and Tina Kleyps several years ago. I am so sorry that you have lost your partner and Robert, Jr his mother at such a young age and from such a horrible disease. May the good memories you have of your life together sustain you and give you comfort. God Bless You and yours and bring you peace. Phyllis Korecki (my mother and Marlene's mother were sisters).

“ Dear Bob and family,

It is with sadness that I write this to you. Marlene and I shared the room at Corvallis Manor and sorry to say, we got to know each other in ways most people don't. But with humor at all times as we both struggled with our health afflictions; my broken ankle and she with trying to build her stamina.

Marlene came to me in a time that I most appreciated. Her wit and strength were to be admired.

With my sympathy, Sue Rohloff
