“ I knew Martha from 1976-77 when I was a young college student. She was a fascinating woman who lives on in the bits and pieces of my memories from those days. I met her because I lived in the same apartment building as Ken and his roommate, Jim. I remember her pulling up in her VW and she was like sunshine. Anyway my deepest sympathy and condolences to Ken and her family. Peace.

“ In the short time I knew Martha, she brought joy, laughter and kindness into my life. The world is a poorer place without her smile. My sincere condolences to her family.
