# Tribute Wall

“ Dear Joel and other family members,

*With great sadness we learned from the GT obituaries of Martha Anne's passing. She was a much needed "Grandma" to our two kids, Anna and Len, and a good friend to us, even from far away. It is hard to believe and accept that Van Buren St, in Corvallis is empty of our dearest people now. Please, know that the care and love Martha Anne showed us is not taken for granted and will not be forgotten. We have her letters and cards on our dining room table today, as we share your loss.*

“ *Condolences to the Norgren family. I had the pleasure of making Martha's acquaintance one summer afternoon in 2010 when I came to her porch doll sale. She was helping a friend to meet medical expenses by selling some items for her, including some dolls. We had such a fine conversation about children's literature and nature, among other topics, that I stayed longer than I had meant to. As I rode home on my bicycle, I met my husband coming to see what had become of me. I think of that day and of Martha whenever I look at the doll I bought. I am so sorry to hear of your double loss.*
