Tribute Wall

JS

“ Remembering Marv's many happy contributions to the OSU College Forests.

Jamie Schaup - February 07, 2017 at 05:37 PM

JA

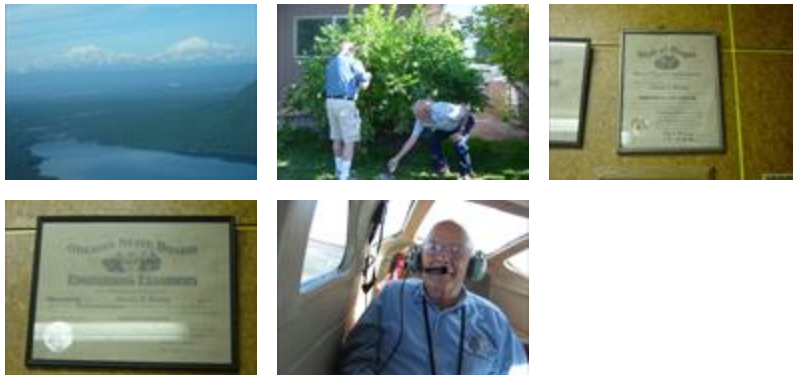

“ In June 2013 Diana and myself had the opportunity to share with Marvin and June, along with David and Patti Pitts, some of the beauty we see every day in Alaska. In July 2013, this experience was returned when Marvin led us on a hike through the Tree Farm and other familiar locations that included lessons on forestry and logging. Thank you Marvin. Your willingness to teach and pass on your knowledge will be remembered always.
